SPONSOR LOCAL STUDENTS

The eLearning Space @ Alive is seeking sponsors to provide scholarships for our local teens who might otherwise be at home alone during school hours. We are turning to the community to provide scholarships for 6th - 8th graders who need financial assistance.

SCHOLARSHIPS

Your scholarship for a local teen provides more than a safe space for remote learning. It offers peer connections and socialization for teens, social-emotional support from caring adults, and first access to our free Drop-in program Monday - Friday 3pm - 7pm.
